Frances Cincotta 5476 2691
newsteadlandcare@gmail.com

Printed on 100% recycled paper

“Our mission is to protect and enhance the indigenous biodiversity of the Newstead area”

Our group activities include local working bees, presentations, meetings and an annual BBQ. For up to date information on our Landcare activities please check the *Newstead Echo* (available free at local shops and online at www.newstadecho.org).

Becoming a Newstead Landcare Group member offers you the opportunity to:

- Meet with others in your community that have an interest in caring for the environment
- Attend fascinating presentations about our local ecology
- Share a cuppa after participating in working bees which may include planting, fencing and weed control
- Borrow flame weeders, spray backpacks, watering trailer and other equipment
- Address local land management and environmental issues as a group

New members are always welcome!

To join, simply fill out the membership form overleaf.

Even if you are unable to attend our activities, we still encourage you to become a member. Every member gives our group a bigger voice and your small annual fees will help us make a difference to our local environment.
